Can we provide a link to the Wilshire Division app on our FB page?

Thank you, Captain Solano. We look forward to having Officer Davenport join our Facebook group.

I just checked our Twitter account and we are following LAPD Wilshire already. I will download the app and spread the word to our businesses so they download it as well. Thanks so much for all you do!

Best,
Kim

Ms. Sudhalter:

On behalf of Wilshire Division, thank you for the Facebook invitation to the Melrose BID. I am directing the officer in charge of our Cyber Unit/Wilshire Division Facebook page, Officer Robert Davenport, to join the Facebook Melrose Businesses at:

I encourage the Melrose BID members to also follow us on Twitter and download our app "LAPD Wilshire". The app is free and has a link to Senior Lead Officers Dave Cordova and Inga Wecker . When you click on their pictures, contact information appears along with a map of the most recent crimes with a general description of what occurred along Melrose. Twitter will provide the latest public safety information while the app provides a visual of where crime is occurring in the area of the Melrose BID (within LAPD Wilshire Division).

Wilshire Division looks forward to working with the Melrose BID to reduce the fear and incidents of crime in the BID.

Sincerely,
